# KPIT Sparkle

AN INTERNATIONAL  
CONTEST FOR  
ENGINEERING  
STUDENTS

Register now!

## ABOUT KPIT SPARKLE

KPIT Sparkle is a student innovation contest by KPIT Technologies. Over the years, KPIT Sparkle has gained immense support and trust, attracting lakhs of students and generating thousands of ideas. The contest allows students to channel their innovative ideas, leverage cutting-edge technologies, and collaborate with industry experts.

### KPIT SPARKLE OVER 9 YEARS

1 Lac  
Student Participants

1.2k+  
Institutes

10K+  
Ideas

1.37Cr  
Money Awarded

### ABOUT KPIT SPARKLE 2024

In the 10th edition of KPIT SPARKLE, we are pushing the innovation quotient, where students from across the world will have to bring their 'A Game' and dig deep. New-age technologies like Generative AI, Large language models, High-Performance Computing, 5G and Digital Public Infrastructure (DPI) provide tremendous opportunities for innovation!

This year's themes for KPIT Sparkle will challenge students to think laterally and derive innovative solutions.

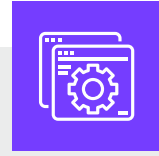

## CATEGORIES FOR IDEA SUBMISSION

Innovative Approaches to arrive at Data Determinism and Time Determinism in Embedded Software

Innovative approach towards building an Operating System for a safe & scalable Microkernel Architecture

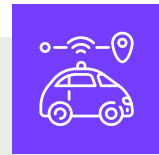

Innovative Approach towards Lightweighting Linux for Safety-critical Embedded Applications

Innovative approaches towards Cyber Security of Software

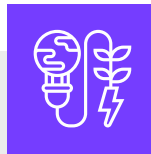

Leveraging DPI (Digital Public Infrastructure) & 5G connectivity to create innovative and end-user-friendly-applications in Mobility

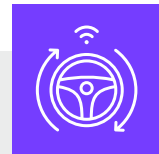

Application of Large Language Models for Mobility

Innovative approaches to improving Battery Range in an Electric Vehicle

Alternate Sources of Energy for Mobility

Alternate approaches to building Autonomous Systems

## WHY PARTICIPATE?

## ELIGIBILITY CRITERIA

Undergraduate Students from Science and Engineering across the globe

The team can be formed from the same or different department(s), Branch, and even different colleges

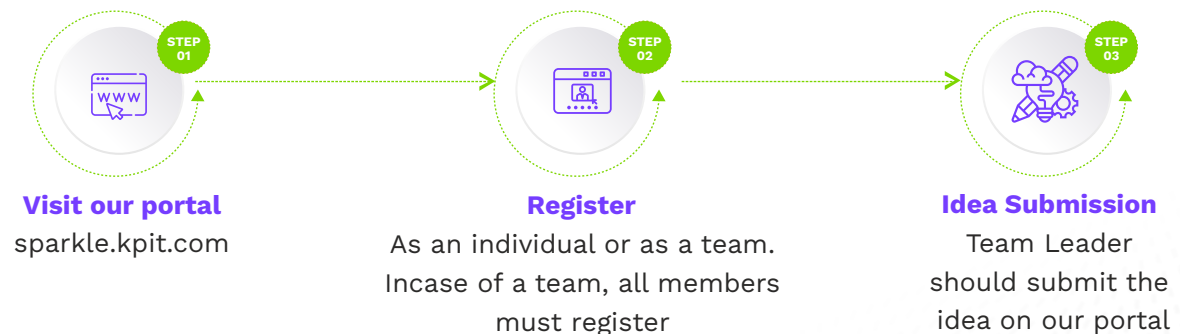

Students can participate as an individual (1 member team + Mentor) or as a team (Max 5 + Mentor)

The team should appoint a mentor for their project from the college or outside

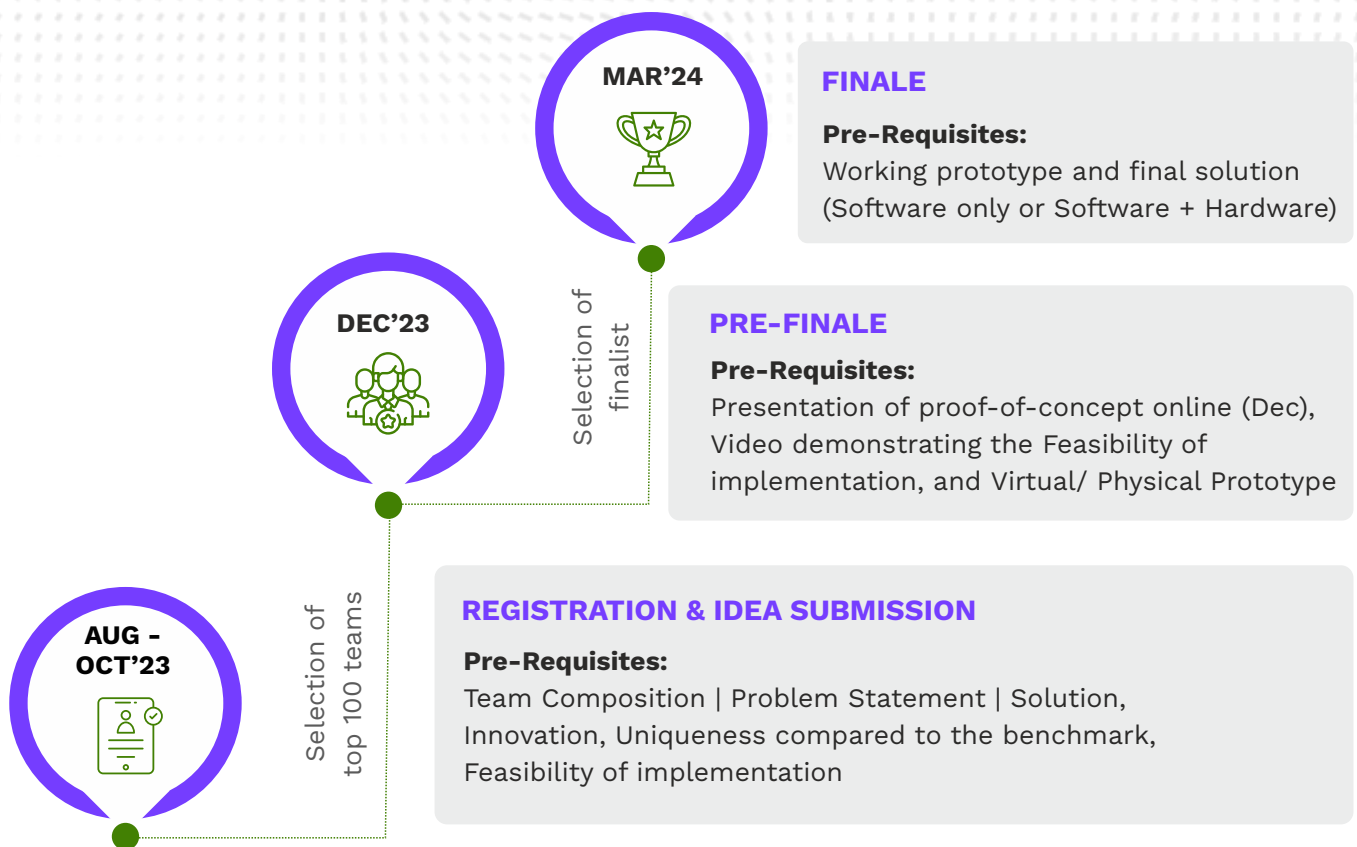

## HOW TO REGISTER?

Participating in KPIT Sparkle is easy! Follow these simple steps:

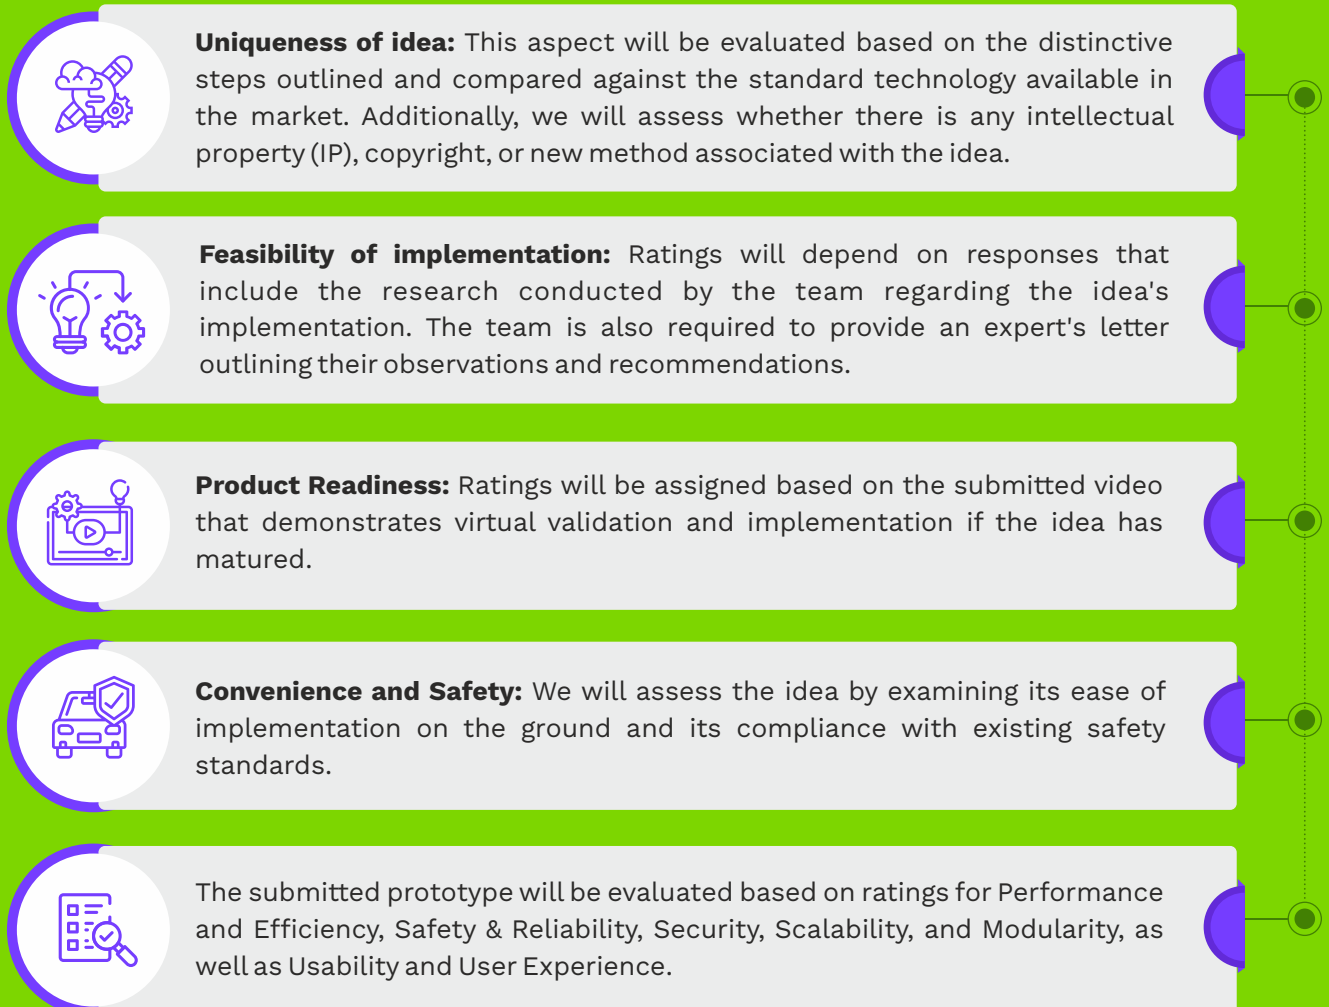

**REGISTRATION FOR KPIT SPARKLE IS FREE**

## ABOUT KPIT TECHNOLOGIES

---

KPIT Technologies is a global partner to the automotive and Mobility ecosystem for making software-defined vehicles a reality. It is a leading independent software development and integration partner helping mobility leapfrog towards a clean, smart, and safe future. With 11000+ automobelievers across the globe specializing in embedded software, AI, and digital solutions, KPIT accelerates its clients' implementation of next-generation technologies for the future mobility roadmap. With engineering centers in Europe, the USA, Japan, China, Thailand, and India, KPIT works with leaders in automotive and Mobility and is present where the ecosystem is transforming.
